# SAND CLOUD

2019 Bronze Prize Winner

## **ABOUT SAND CLOUD**

Built by three friends in sunny San Diego, SAND CLOUD, takes classic, must-have items and turns them into high-quality and eco-friendly products. What started with the perfect beach towel has evolved into a popular lifestyle brand that offers several products to their environmentally conscious consumers. SAND CLOUD goes above and beyond by donating 10% of profits to organizations that keep our oceans clean.
